**ACTION TAKEN ON FEEDBACK OF STUDENTS**

**ANALYSIS**

Analysis of Feedback is done in form of Pie Chart Diagram. The google form is prepared and send to the students through email. The filled google forms are collected through emails. The all responses were compiled in form of excel sheet. The feedback excel sheet is processed by Ai- Software to analyse the feedback of students about Academics, syllabus, teachers, teaching facilities, ICT facilities, infrastructural availabilities, syllabus content, practical's and project activities.

In general, 70-80% students are satisfied about the academics, administrations, extension activities, research, students support and progression as well as governance by the management. The students are satisfied with curriculum delivery and the level of curriculum is up to the mark of national and international level

**ACTION TAKEN REPORT**

-The Institute is very much aware about to take follow up of analysis of feedback report and take the action for betterment of the college.

-The Action taken report means to understand strong action and pace.

-The analysis report says that around 80% satisfied by the curriculum set up by the parent body of University of Mumbai.

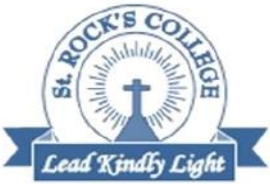

-The students said that the programme course content, responses, practical involvement ad level of standard of content of course is satisfactory.

-The University of Mumbai is the premier University of India which was established in 1857. It has experience of over one and half century. Therefore, the experience in academics is above the level of expectations of stake holders especially students.

-The Management, the Principal as mark, as said by the students. There is scope for improvement in curricular delivery and curricular enrichment. The suggestions, expectations of the students are implemented for betterment.
