**REPORT ON ONE DAY SEMINAR
"USE OF AI IN CYBER SECURITY"**

ON

26th August 2023.

St. Rock's Degree College Of Law organized a one day seminar on "USE OF AI IN CYBER SECURITY" on 26th August 2023.

The seminar focused on analysing vast datasets to identify patterns and anomalies, enabling the detection of malicious activities.

The Seminar was started at 09:00AM presented by Dr. Mahendra Kumar Yadav (Principal MKES Law College) Organized by the Dept. of Law in Association with MKES Law College. The Seminar was attended by students of class SY LLB.

The Speaker also explained about that today's digitally connected world, cyber security has become a paramount concern for individuals, businesses, and governments a like. As cyber threats grow in sophistication and frequency, traditional security measures alone are insufficient to defend against evolving attacks. This seminar explores the role of artificial intelligence (AI) in bolstering cyber security defenses, highlighting its capabilities, applications, and implications.

In conclusion, the seminar provided valuable insights into the diverse applications of AI in cyber security, showcasing its pivotal role in augmenting traditional defense mechanisms and strengthening resilience against evolving cyber threats. By harnessing the power of machine learning, behavioral analysis, vulnerability management, fraud detection, malware analysis, security automation, and defense evasion mitigation, organizations can enhance their cyber defense posture and effectively safeguard their digital assets and networks in an increasingly complex threat landscape.

The Seminar was very helpful for the students. Students were very much interested in the seminar. The Programme wrapped up around 10:30 am with a Vote of thanks which was given by I/C Principal Dr. Shweta Patil, St. Rock's Degree College Of Law.
